

# **Town of Stonington**

## **Public Notice**

**The Town of Stonington parking ban is in effect for December 1, 2023 thru April 15<sup>th</sup> 2024 for snow removal from 11:00PM to 5:00AM for Main and West Main for snow removal per the Stonington Parking Ordinance. Vehicles may be towed at the owner's expense left on the streets or abandoned in town parking lots so we may conduct snow plowing operations.**

**Parking is available at Hagen Dock during winter months. Parking between the Kiosk and the Stonecutter statue is best, to allow for our plow trucks to swing and clearing snow piles. Parking is also available in the Pink St. parking lot but we do ask vehicles to clean their vehicles and move after each storm so our plow crew can plow, clear snow and sand. Vehicles not moving will be towed.**

**Kathleen Billings,**

**Town Manager**
