- 1. Oceanville bridge-Jeff Olsen was in to talk about the donation for the 50 percent of other MDOT-Town costs for granite veneer finish. Jeff been slow, wife sick others not helping. Dick mentioned if they are not able, them maybe we shouldn't fund it since they promised to raise the funds for the special project and it wasn't right to put it onto the rest of the taxpayers. Jeff said he would get the crowd together and see what can be done to get more donations in. TM mentioned that is the problem with fundraising, everyone says they can and will raise money but they don't. TM only have \$12K out of the \$50K so far. Board said they would let the bid process go through with the granite veneer.**
- 2. Marijuana shops-table- Makayla didn't show.**
- 3. Harbor committee recommendations-Evelyn reported working on budget, approved Bobby's lease, going over maintenance items for next year.**
- 4. Meeting follow ups-Library people came in. Dick and Melissa talked about meeting with the TM earlier, had a good year fundraising, building in good shape but costing a lot and up to the challenge. Biggest challenge is the personnel and would like to retain Chris, good asset to the community and works hard. Have worked on raise for him but health insurance is a challenge, would like to ask for**

more money to be able to happen for him but would include a big step up for the towns appropriate ask this year.

**Old Business-Meeting with ICC soon to talk about the building and lease coming up**
