Budget Workshop-Chief Rittmeyer and his crew came in to go over their FD budget line, issues from this past year and expenses with previous years of lack of maintenance, and needs for the coming budget. Board and FD talked about the roof, equipment needs, trucks needing to be replaced. Also, downstairs of the FD needs renovating. Steve says he is trying to tackle the most important and safety needs first to get the Dept in a better place. Would like to have about 30 volunteers to prevent burn out with frequent calls.
