**Old Business-** had Chris Mayo down from SHIP grant program to talk about plans for IOOF, and the public landing.

**New Business-**TM passed around MOU about the rope at the dump and agreement and work Net your problem wants to charge us for maintain and loading the rope coming in. Board discussed, TM said they want same price as tipping for PERC, also we do labor they don't pay for. Not a good deal, plus with issues with PERC let's sit on it and see what transpires going on first. TM asked about Kyra's car at Dump. Board said no. TM said she agreed, we can't guarantee any issues with vandalism.
