Agenda Items-

- 1. Transfer St- PERC/Eagle Pt. correspondence-TM passed out emails and discussed the emails from the entities, the lawsuit for what she knew so far, for claims of funds for custody. TM also talked about the recycling efforts, the Sedgwick Bottle redemption is closed, made arrangements to take them to Ellsworth instead because shed is full. Travis said Ryan who we asked may want the loads differently to truck. .**
- 2. Oceanville road/mtg with DOT-TM said Andrew is almost done with paving assessment of damages for the bridge project damages. Will see what can be done with damage portioned and price for paving it over to correct it when Andrew is done with it.**
- 3. Town projects updates-TM said 100 blocks left at bridge job, will check on who gets them. Need to figure up paving spots soon for list, price is not down any on asphalt, PW is patching roads again, had to stop tree cutting, burn pile is closed down for a while.**

Old business-Lynne is at 6 months, doing well catching up.

New business-Matt Williams doing ongoing work from Musson group, will be at PB meeting doing public workshop on ordinances to start that outreach, explaining how it works, also zoning. Will facilitate more and attend the PB meeting as well. Board signed tax supplement from our Assessor, talked about the BH computer hack, will check with Rollings and see where our vulnerabilities are with what happened at BH. Auditor recommends consolidating the town & utility functions especially with funds, shortage of staff, double the accounts to reconcile, shift funds, getting too complicated now with so much grants, funds. He is checking legalities and process to see how it can be done and come discuss with the Board. Audits are complicated now.
