

PLANNING BOARD
MINUTES OCTOBER 21, 2021

PRESENT: Rene Sewall, Bob Winters, Diana Turner, Roger Bergen
PUBLIC: Evelyn Duncan, Al Hutchins, Ed Billings, Judy Jenkins CEO

Item 1: Minutes September 2021
Moved Turner second Winters to accept minutes

Item 2: Loveland/Driesell Dock permit. Board revisited this application which was tabled from the last meeting. As requested of Board Hutchins installed marker buoys at the site. Sewall, Turner, and Winters went and inspected the site. Billings reported that the Harbor committee with the exception of one inspected the site. The Harbor committee again brought up the application at October meeting. After discussion the Harbor committee again voted against the site in its proposed location. The minutes of that meeting were sent to the Planning Board which they read. After discussion it was moved Turner second Winters to deny the permit on the recommendation of the Harbor Committee that it was a navigation hazard in that location. Vote 4-0
Jenkins told Hutchins that the State had indicated to her that they would be willing to just amend the original permit. She also indicated there would not be a permit fee for a revised permit. Sewall told Hutchins that the owners had the right to appeal the Planning Board decision and that they had 30 days to do so.

There being no further business meeting adjourned at 7PM

Respectively submitted;
