

# Town of Stonington Annual Report 2016

**Small Cove Park**  
6 Atlantic Avenue

## Dedication

We are pleased to dedicate the 2016 Town Report to Opera House Arts, its board members, employees, and new Executive Director Meg Taintor for their commitment to the enrichment of our community through the creative arts. Since forming in 1999, OHA has become a cornerstone of our downtown and offers a wide range of year-round programs. Through original productions, movies, music and more they truly “Incite Art. Create Community.”

## Report of the Town Manager 2016

I am pleased to give you my annual report. It has been another busy year for me. I must say that I enjoy my job even though it can be long days and sometimes nights, but the hours fly by fast and before I know it another year is over. Some highlights for my work and projects this year are:

- Researching for the Select board and the townspeople some resolutions for the MRC/PERC trash issue for Stonington. The board decided staying with PERC was the best choice for the town. We are looking at ways to fight the rising costs of trash disposal, either through reductions of source, composting, analyzing commercial trash and who should pay for it, and evaluate the merits of recycling going forward. Recycling revenues are down and to increase efforts is extra manpower and transportation costs, but conserving natural resources is a worthy goal to consider.
- Hagen Dock is progressing and we received a very competitive bid from the John Goodwin Jr. Company and he, Bob, Laura, and crew have done an excellent job. They and will be starting again in March 2017 finishing the wall and walkway, targeted to be done by June 1<sup>st</sup>. Many thanks to Andrew McCullough our engineer for his patience and willingness to create something with us that fits the profile and character of our waterfront. This is a huge project and has taken a lot of my time keeping it on track, but it will be worth it!
- We received more grants this past year. Annaleis Hafford, Ben Pitts and I submitted a proposal to CDBG and received \$1Million for more waterline replacements, got \$150K from the State boating fund for recreational boat parking project funding and several safety grants from MMA.
- Public Works was busy again. Our big project this year was the purchase of the Ralston property and transforming it into Small Cove Park. Elwood, Matt, Shaun and Brian did an awesome job in a short time taking down the old building, cleaning up the lot, building the parking area and fence and landscaping. People really like it and it is a great asset to the town. I am so pleased with how it turned out. We also paved Whitman Road, Memorial Lane, the Airport and the basketball court for the kids.
- Working with MDOT on Oceanville Bridge replacement project. It looks like they plan to start in 2018.
- CEO Judy Jenkins and I have been working to educate ourselves on the new marijuana law and will be attending workshops and legal sessions so we can inform our town's people what it means, and asking you the voter what you think going forward for Stonington.
- Other items coming before you on this year's budget for your consideration are Transfer Station upgrades for a new compactor and baler to handle the increase in trash and shingling the Town Hall roof. These projects are just a few of the many items that keep me busy!

I wish to thank my employees and I am very grateful for their time and dedication. They sincerely try hard to please you all and take a lot of pride in the Town. I can't do a lot of what I do without them and their support! Also, I want to thank the Selectmen for their continuing faith in me as their Town Manager.

Respectfully submitted,  
Kathleen Billings

## Selectmen's Report 2016

To the Citizens of Stonington,

The Select board worked hard to evaluate the Town's finances and present a budget that meets our infrastructure needs without increasing taxes. The increase over last year comes from the 3<sup>rd</sup> party requests portion of our budget. You, the voters, can decide what you what you would like to do.

We were pleased with the addition of Small Cove Park on Atlantic Avenue. Many thanks to the road crew and Brian for their hard work to create a pleasant place for folks to enjoy the water view, take their kids to swing, play in the little lobster boat and splash along the shore. Looking back over 2016 and my years as selectman, this is one of the best-liked projects by the townspeople and we are glad we took the initiative and supported the acquisition.

During 2016 our public works projects were paving Highland Avenue after the new water main was installed, Memorial Lane, Whitman Road, and the Stonington Municipal Airport. We also redid the surface on the basketball court for our young people. We were fortunate the State paved Rt. 15 & 15A to improve the Island's roads. The winter was mild and we had some savings on the winter budget line, too.

The Stonington Water Company is moving ahead with the \$1Million dollar grant from the State of Maine's CDBG program. Survey, layout, and design work commenced this past fall and we will start next fall with the major portion of replacing the old cast iron 6" line with a new 8" service line to improve that area of the town's capacity.

The Hagen Dock project was bid out and started this past fall. The contractor, John Goodwin, and his crew did a great job rebuilding the wall. Work starts again in March on the balance of the dock rebuilding project and the final phase with the new shore walkway and new greenspace for the Stonecutter statue will be finished by June.

The board would like to express our thanks on boats slowing down and observing the "No Wake" restrictions. We all want everyone to be safe. We don't want people hurt or injured in our busy harbor.

Again, I want to thank our dedicated town staff who work hard to serve all of our residents and my fellow board members. This is my last year after serving our residents and the fishing community as best I could for over 20 years. One of my hopes is going forward is I get to see others especially younger folks run for office to keep Stonington the hardworking fishing town it is.

Respectfully submitted,

Richard Larrabee, Sr.  
Chairman

The Town Office is open Monday-Friday 8:00 am - 4:00 pm, except for major holidays.

By State law, all dogs must be licensed by January 31st each year. Fees for spayed/neutered dogs are \$6.00 and \$11.00 for unaltered dogs. Dog licenses issued after January 31st must be charged a late fee of \$25.00 in addition to the annual license fees. Proof of current rabies vaccination is required and you must provide a spay/neuter certificate to obtain the spay/neuter rate.

Notary services are available during regular business hours.

Tax Maps and Commitment Books are available online at [www.StoningtonMaine.org](http://www.StoningtonMaine.org)

Respectfully Submitted,

Lucretia Bradshaw, Town Clerk

## Code Enforcement Officer's Report 2016

To the Citizens of the Town of Stonington:

In 2016 the Code Enforcement Officer issued a total of 61 building permits and the Planning Board issued two. Thirty permits were issued in the Shoreland Zone and 33 were issued outside of the Shoreland Zone, as shown below.

Permits were slightly up from last year. There were many interior renovations taking place during the year. Roof repairs, replacements of doors and windows and paint jobs were happening all over town. There were two "After-the-fact" permits written. There were several requests to the Board of Appeals this year. The Planning Board and the Appeals Board provide a great service for the Town.

Thank you to: Kathleen, Lucy, Bridget, Roger, Ben, Gay, Ted Crouch and Doug Johnson for their help and assistance in making my job more interesting and rewarding.

Questions and comments are welcome concerning building applications, permits, and non-compliance issues. My hours are 9AM-4PM every Tuesday at the Town Office, 367-2351 Ext. 11.

Respectfully submitted,  
Judith Jenkins, CEO, LHO

## **PLANNING BOARD REPORT 2016**

The Stonington Planning Board meets monthly on the third Thursday, 6:30 PM in the selectmen's room of the Town Hall. We currently have 5 regular members, which is two shy of our total complement of seven. We must have a quorum of three members at each meeting in order to conduct official business. Agendas for our meetings, which are open to the public, are published in the notices section of the *Island Advantages* newspaper. Anyone interested in serving on the Planning Board should contact the town hall, select board, or a Planning Board member.

All permit applications are received and reviewed initially by Judy Jenkins, CEO, and when appropriate are passed on to the Planning Board for action. Generally, all permits for one and two-family dwellings, whether in or outside of the Shoreland Zone are processed by the CEO. Planning Board responsibilities as defined by the Shoreland Zoning Ordinance are extensive and include, but are not limited to commercial, industrial, governmental and roadways.

The Planning Board was instrumental in ordinance revision via a public hearing, then action by the Board at the annual Town Meeting.

We would like to thank Planning Board Secretary JoAnna Haskell and the Code Enforcement Officer Judy Jenkins for their support and expertise at our monthly meetings; both do an outstanding job!

Finally, as Chairman, I would like to thank our dedicated planning board members for their many hours of volunteer service to the Board!

Respectfully submitted,

Ted Crouch, Chair  
Bill Baker, Vice Chair  
Roger Bergen  
Ann Foster  
Renee Sewall

Permits addressed by the Planning Board in 2016:

Funeral Home change of use	1

# STONINGTON VOLUNTEER FIRE DEPARTMENT

PO Box 472  
Stonington, ME 04681  
(207)610-3106  
(207)367-5137 fire station

January 17, 2017

TO: The Residents of the Town of Stonington

FROM: The Stonington Volunteer Fire Department

Last year was as busy as the prior year. The amount of calls for 2016 was 35 compared to 34 for the prior year.

Our Roster is now up to 13 members, gaining a new member this year. The fire department is always looking for new recruits. Besides the more traditional roles of fire fighting new members would also be invaluable for other roles such as driving the fire trucks, helping with traffic control, etc... Anyone who is interested in becoming a member can contact anyone on the fire department or town office for more information.

We would like to say a huge THANK YOU to everyone who has donated to the Fire Dept. We used these donations to buy 2 brand new sets of turnout gear. Some of our gear is getting outdated and to keep up with the current OSHA rules we needed to replace them. We also upgraded our communications tower to ensure that we are able to receive tones and communicate during emergencies.

Please keep in mind that anyone that plans on doing open burning MUST obtain a fire permit. It is unlawful to have an open burn without a permit, and if caught, you could be subjected to a fine. Please contact either Adelbert Gross or myself if you would like a burn permit.

Finally, I would like to thank all the members of the Stonington Fire Department, the Town Manager, Selectmen and Town Clerks. Many thanks for all your support and hope everyone has a wonderful, safe 2017!

Sincerely,

Ryan Hayward  
Fire Chief

## INCIDENT REPORT FOR 2015

Tree blocking road: 1    Car Accidents: 9    Mutual Aid DI (alarm): 1    Mutual Aid DI (car fire): 1

Mutual Aid DI (Structure fire): 3    Structure fire: 1    Power Line: 1    Carbon Monoxide Investigation: 1

Fire Alarm: 3    Car Fire: 1    Lift Assist with MAC: 3    Furnace malfunction: 2

Chimney Fire: 1    Transfer Station fire (brush pile): 3    Smoke in basement: 2

Propane tank leak: 1    Water Rescue: 1

**Please remember to check your smoke detectors periodically and make sure your 911 house number is displayed near the front entrance of your home so that it is visible from the main road.**

## Report of the Harbor Master 2016

2016 was an exciting year with the start to the Hagen Dock rebuild. This project is expected to be completed by June first —just in time for our busy summer season! 2016 was also the second year of our “Life Jacket Loaner Program” and we had 136 life jackets signed out. This is a great program to have in place because these life jackets are available to borrow for free to anyone whether you are a summer visitor, a fisherman, or a local family taking a boat ride. We have all sizes as well, from infant to adult. The program is in place thanks to a grant from the Sea Tow Foundation. Unfortunately, violations of the “No-Wake Zone” continued to be an issue during the year and I had to issue 7 tickets for wake violations. I’d like all boaters to be aware that I am actively patrolling for excessive wakes by land and by sea and this will continue next year.

Please remember that your mooring number should be on clearly marked on your mooring ball and that moorings need to be inspected at least every three years. Once the mooring inspection has taken place please give that documentation to me to add to your mooring file. If your mooring inspection is not documented and something happens, like your boat goes adrift, gets damaged or damages someone else’s property, your insurance may not cover a claim. If you would like to place a mooring, there is currently a waiting list for most coves and that list is available at the fish pier office and the Stonington Town Office.

Mooring applications continue to be sent annually with the bills and all mooring holders were asked to complete these so that we can continue to have complete and accurate records of the moorings and their inspections. Also, as people have upgraded to larger boats over the years, the mooring field is getting pretty tight in places. Please keep in mind how close your mooring is to other boats.

I’m pleased that I was able to spend so much time on the water and we replaced two floats at the public landing. For the coming year my projects include continuing the update of the mooring map, and looking for grants to improve the harbor.

Raelene Pert

## Report of the Fish Pier Manager 2016

This past year has been a good one. The soda machines all survived the year without any trouble – much better than I feared after the tales I heard of the old one! We contracted for a new diesel fuel tank that will be installed in February of 2017. We re-shingled the building and redid the waste oil building. I think it is great that we are able to collect waste oil but please remember that we can only accept clean waste oil, no water, filters or debris mixed in and absolutely no gasoline.

We did have some scary things happen on the Pier though, and two people were injured by vehicles. Please, please, please be cautious and careful. There are people all over the Pier at all times, be expecting them.

The pier has always been a busy place and this past year was no exception! Along with regular tasks such as keeping diesel fuel inventory, receipting fuel purchases, keeping the pier and the water around it clean by picking up trash that others have left, there are always unexpected issues/events that come up.

The Pier Manager is responsible for recordkeeping, billing pier fees to users, updating the fuel records daily, making sure the fuel system itself is operating properly and keeping the Harbor Committee updated with reports and meetings.

I will continue to keep working on safety training and staying in compliance with workplace safety, making sure the Pier stays clean, and keeping things in good working order.

The pier currently has no available openings for parking spaces but we do have a waiting list, so if you are interested in getting a parking spot at the pier make sure you get on that list.

Pier users: if you have a commercial fishing tax exemption from the state, please make sure to bring a copy to my office so I can update your fuel account. Also, make sure to hang your parking permit from your mirror when parking on the pier. If you're towing a trailer, please don't leave the trailer on the pier all day while you're out. It only takes a couple trailers to fill up the pier and the old ballfield is a great option that's very close by.

Being the manager of the Stonington Fish Pier is a challenging job and definitely keeps me busy. Please stop by if you have any questions, suggestions or concerns. I can also be reached by email at [harbormaster@ne.twcbc.com](mailto:harbormaster@ne.twcbc.com) or by telephone at 367-5891.

**REPORT OF THE STONINGTON WATER COMPANY**  
**2016**

The past year was certainly challenging for the Stonington Water Company. A very mild winter with minimal snow melt left us with a very dry spring, summer, and fall season. We had several planned construction projects and a few unplanned ones as well, but we managed to complete them all with minimal interruptions in service to our customers. Our primary goal every year is to provide the Town of Stonington with an adequate supply of fresh, clean drinking water and despite the challenges that faced us in 2016 we succeeded in that goal.

- The highlight issue of the year was the severe drought, which effects were felt across the state. In July we noticed a downturn in our well production numbers and an overall lower water level in the ground. As the summer progressed the problem only got more noticeable. Summer is our highest demand periods, and the inability to meet that demand becomes an issue. If we can't maintain a certain level of water in our reservoir to meet the daily demand of our customers and the towns fire protection needs, then we have to purchase bulk water and have it hauled in from out of town. This is a very expensive practice, and we narrowly avoided having to do it this year. In early August we advertised for voluntary conservation measures, but by the end of August we instituted a Mandatory Conservation Notice. We made several site visits to some of our higher usage customers, and the support we got back from the public was tremendous. Nobody likes to waste water, but most people were unaware of how much water they were actually using. The fall saw a drop in water usage that allowed us to fill our standpipe back up, but even now as we move into 2017 our wells have still not fully recovered to their previous production levels.
- The Stonington Water Company had several leaks this year to contend with. A major leak on Old Quarry Lane in October resulted in a loss of 50,000 gallons of water, and several smaller side street issues were dealt with throughout the year. In addition, we also experienced significant water losses from customer's private plumbing. Last February two houses froze up which resulted in burst pipes, for a metered loss of 40,000 gallons. Over the summer, a sink faucet was left on by a renter for a metered loss of 30,000 gallons over a weeks time. A leak in a guest cottage service line resulted in a metered loss of 100,000 gallons over a period of two months. These problems all occurred in residences that were unoccupied at the time. The Stonington Water Company would ask that anyone leaving their residence unoccupied for any length of time please have adequate caretaker coverage, or coordinate with your plumber and the Water Company to have your service disconnected. The cost of disconnection is far less than the bill for these types of damages and resultant water usage.
- The North Seabreeze water main replacement project went very well. We had a great construction crew that managed to get an early start thanks to our mild winter, so by the time summer arrived the project was finished. This side street line was undersized and shallow enough so that it froze in two out of the last three winters weve had. The street line is now a 4" HDPE line buried 6' deep, and we also replaced the last of our 100 year old fire hydrants during this project.

- We did receive approval from the Maine Drinking Water Program to bring one of our test wells online. Final inspection will happen this coming Spring and hopefully this additional well will supplement our summer water production.
- The Department of Transportation completed their Rt 15 Light Capital Paving Project in September. The Water Company brought all of its existing water main control valves and service valves in the affected area up to grade. Almost all of our control valves are now out from under the pavement and accessible.
- We were successful in our Community Development Block Grant grant application for our North Main Street Replacement Project. This is a \$1,000,000 straight grant that will allow us to replace the water main starting at Robbins Street and continuing all the way up and around the corner of North Main Street and actually extending our system several hundred feet to include several new customers. The water main in this section of Town is very old and has been problematic and prone to leaks over the years. This project is currently in its design phase, and is scheduled to be completed fall of 2017.
- We replaced 25 water meters this year during our ongoing Meter Replacement Project. More accurate water meters give us a better understanding of our unmetered water loss. Our 2016 unmetered water loss average was 44%, which is an 11% improvement from 2013 when we first contracted out our operations.

If we see drought conditions continue in 2017, we could be faced with similar water production issues in the coming season. We will continue to work with our customers to give them a better understanding of their water usage, and to help with our water conservation efforts. As always, it is our goal to provide you with the best water possible. In 2016 the Water Company met all of the quality control and compliance standards set by the state, and look forward to keeping up the good work in 2017.

Please feel free to contact us at the Town Office if you have any questions. 367-2351 (x15)

Respectfully submitted:

Annaleis Hafford, P.E.  
Water Company Manager

## Transfer Station Report 2016

Recycling is going to be upgraded and done a little differently this year. We need the public's help with separating the recyclables and putting them in the correct place. There will be new signs that will tell you what and where to put the recyclables. Please ask where the items should go if you do not know where they should be placed. The more we recycle the more we keep out of our waste stream.

Transfer Station stickers are required for all vehicles. If you are a year round renter you need to bring a copy of your lease to the Town Office to be able to get a sticker and if you do summer rentals you must get a pass for your renters that is good for the season. You cannot use the Transfer Station without them. When you registering a new vehicle at the Town Office that would be a good time to ask about getting a new sticker for your car.

We are still talking about doing composting. After the Hagen Dock project is done we will have more area to work with at the Transfer Station.

Many thanks to the road crew for their help this year. I would like to thank John, Gilbert and Dave for all their help with bottles and cans. We hope to award two more Scholarships this year. To date we have given 43 students scholarships and the fund has taken in \$104,601.36. Thank you to all that have donated.

Thomas Brophy  
Transfer Station Manager

# Stonington Micro-Loan Report

2016

Do you have a small business idea or expansion need? Are you interested in the food movement and have a small farm or gardening and want to retail what you grow or raise? Are you in a small cottage industry or craft you are thinking about marketing for extra money. Perhaps if you are located or a resident of Stonington we can help you fund your start up idea. We would like to be of assistance and have a great committee eager with many years of business experience who are interested in reviewing your application, business plan and ideas.

For our report on the Microloan Fund, we continue to have a healthy small business loan fund available to assist Stonington-based businesses. We encourage you to apply; we offer a good interest rate for the small entrepreneur and loans are available up to \$25,000 with a dollar-to-dollar match for any loans over \$15 thousand with secured funding. We can even assist with the application process to help make it as simple as possible.

This type of program can be a great stimulus to our local business economy. Our Micro-Loan program is unique because we have one of the few lending programs in the State of Maine that continues to thrive. It is well managed by our Micro-Loan Committee and through loan payments and interest has a revolving source of money for business startup and expansion.

Our program has two sources of loan funds: one is guided by more stringent CDBG Low to Moderate Income Guidelines and another lending source with less stringent guidelines. Please contact Kathleen Billings, Town Manager, or see the town website, [www.stoningtonmaine.org](http://www.stoningtonmaine.org), for an application or more information.

<b>Micro-Loan Checking Balance 12/31/16</b>	<b>\$ 123,537.61</b>
<b>Loan Payments &amp; Bank Interest through 2016</b>	<b>\$ 15,248.52</b>
<b>Funds Due to Micro-Loan from General Fund</b>	<b>\$ 0.00</b>
<b>Loan Receivables as of 2016</b>	<b>\$ 47,319.21</b>
<b>Total Assets</b>	<b>\$ 186,105.34</b>

Micro-Loan Committee: Rich Howe, Vern Seile, James Bray, and Donna Brewer, Selectmen's Representative

Micro-Loan Administrator: Kathleen Billings, Town Manager

## Old School Building Rental Report

As usual the rental building had a lot of activity and did well this past year as you can see from our P & L. We have 18 tenants in the building from a variety of areas of business and non-profits. They bring services such as insurance, accounting, legal, therapeutic offerings, plus provide jobs which enhances our retail/service center of our Town. Our building is a self-sustaining enterprise fund, and we do have a capital projects plan we go over each year to maintain the facility. We continue with those improvements each year both inside and outside of the building such as the recent replaced the oil tanks, and we plan on some inside painting this coming year.

We continue to work on some design and planning efforts for renovating the front porch, drainage under it and the ADA ramp. We have been working on saving money in the Old School Building Reserve fund for this project in the near future.

If you have questions or would like to be on our waiting list for rental space please contact the Town Manager at 367-2351.

## **Stonington Municipal Airport Annual Report for 2016**

The Stonington Municipal Airport continues to serve the vital and diverse needs of our island towns, and the wide spread inter-island community.

We have a beautiful, newly paved runway, taxiway, and terminal area at the airport. Skip Eaton did a great job of grinding out the old paving, rocks, and sand fill, and laying down a smooth, even macadam surface. The total cost of all work was covered by Stonington town funds, the airport reserve, and generous private donations. This was a major commitment and demonstrates the importance of this critical transportation resource to the local area. The new runway will last for years, and will be a major safety plus factor for aircraft landings and takeoffs during all seasons.

The municipal work crew from the Town of Stonington professionally excavated, and cleared a large water evacuation ditch along part of the runway to help keep the low lying water away from the complex. The 2100 x 60 foot runway hosts commercial, emergency (Coast Guard and LifeFlight helicopters), and vacation bound flights all during the year, especially in the summer. Private aircraft land, and often lay over, while their pilots and families spend time (and money) in our local area, and the airport is the stepping off point for activities such as visits to Isle au Haut, and other nearby islands.

As of December 15, 2016, the sign in log at the terminal building listed 117 cycles (landings and takeoffs) for the year. We know that many pilots do not "sign in", so we estimate an "average" of three aircraft in and out each day all year long. This year we participated in the Deer Isle Stonington High School "Shadow the Professional Day". Three students were thoroughly briefed on all aspects of the aviation profession, did a "pre-flight" airplane walk around, and were each taken for a twenty minute orientation flight by Airport Committee Chairman Jim Jackson.

Penobscot Island Airways, based in Rockland, has logged the most flights in and out of the airport from 2015 through 2016. Most trips were business and commercial in nature, such as assisting Billings Marine in dispatching personnel and urgently needed repair parts to the entire mid Maine coastal geographic region. Many flights supported personal charters, and community activities such as the Lupine Festival, and "Lighthouse Tour Weekend".

Donations, and contributions (in returned envelopes) to support the operation of the runway this year were appreciated, and gratefully accepted. These donations were usually sent to the town office by pilots who have flown in during the summer. The airport has ample designated parking space, tie downs, and chocks, and never charges a fee for parking - whether for a few hours or a week.

A small group of local residents and summer island visitors work hard to keep the airport area mowed, trees and bushes cut back, and the aircraft movement area free of trash. The airport office is clean, well lit, with flight planning desks, and a free, direct phone line to the FAA. There is also a compost toilet available for pilots and passengers. All of this facility grooming and maintenance is done entirely by volunteers and pilots. On occasion, we even provide transportation to and from the towns and docks on the island.

There is a waiting list for hanger space, as more pilots and aircraft owners find Stonington to be an attractive and convenient "home base".

The airport committee wishes to thank the airport manager, Kathleen Billings, and the town maintenance employees for guidance and assistance throughout the year. The airport committee meets monthly from May through October at the Stonington town hall. Our meetings are open to the public, and guests are encouraged to attend.

Jim Jackson, Committee Chairman  
Kathleen Billings, airport manager  
Donna Brewer, Stonington Town selectman representative  
Mark Robinson  
Harlan Billings  
Eric Walter

## **Deer Isle-Stonington Shellfish Conservation Committee 2016 Report**

### **Committee Representatives:**

<b>Deer Isle</b>		<b>Stonington</b>	
Alton Smith, Vice Chair	479-5467	George Powell, Chair	367-5882
Charles Cochrane	348-1007	Alan Hutchinson	367-5846
Derek Crocker	266-5369	George Robbins	348-1040
David Joyce	348-6861	Elliot Gray	367-5034
		Robert Ray	479-7240

The Shellfish Conservation Committee meets at 6:00 P.M. on the fourth Wednesday of every month; on the second floor of the Stonington Town Hall. Meetings are open to the public and people are encouraged to come.

In 2016 Stonington had 3 reseeded activities, the first at Inner Harbor on the 31<sup>st</sup> of March, the second at Cat Cove April 2<sup>nd</sup>, and the third at Webbs Cove April 29<sup>th</sup>. All were well attended with 25 participants at the Inner Harbor and Cat Cove events and 29 at the event in Webbs Cove. Although reseeded and enforcement of our Town Ordinance, through our Town Warden Raelene Pert, continue to be the two primary tools in our efforts to preserve our resource, we continue to review the other options available to us through the Town Ordinance.

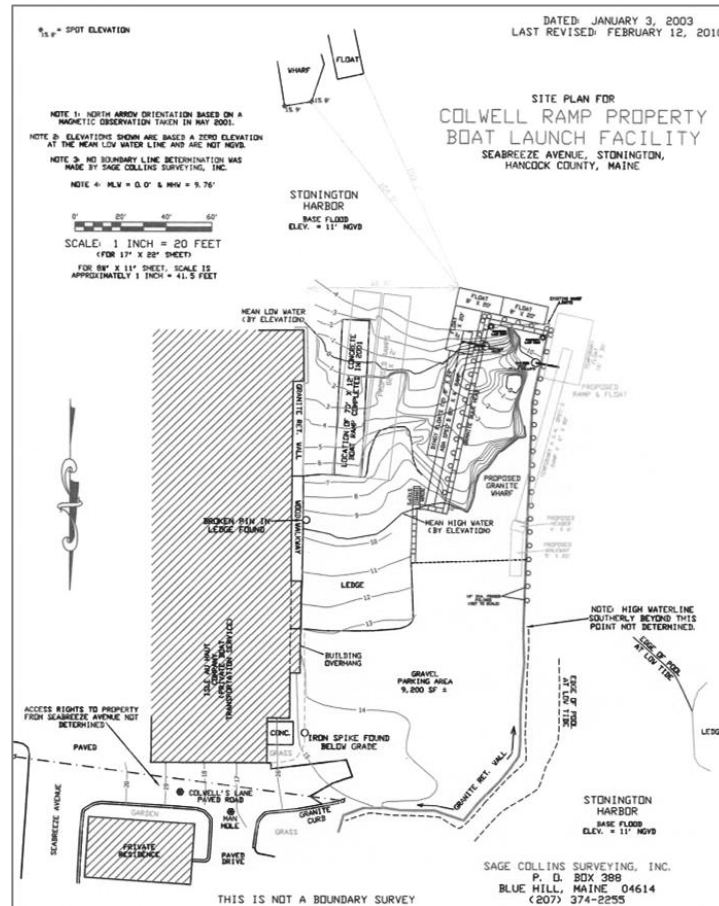

As always, I would like to thank all the people on the Committee, it's not easy being on this Committee, and I know that they are there so that the next generation will be able to harvest shellfish as they did. And I want to thank our shellfish warden, Raelene Pert, for ensuring that our shellfish ordinance is enforced.

Sincerely,

George T. Powell  
Shellfish Committee Chair

# Colwell Ramp Committee Annual Report 2016

The Float & Ramp were in place for nearly 6 months in 2016 which is a record, so far!

Please remember this site is for temporary tie-ups & parking, of no longer than 45 minutes, to pick up passengers, load & un-load supplies or for quick errands to town.

Please move your vehicles to appropriate parking areas. Longer parking and tie-ups make the site and public float difficult for others to use. No overnight parking or unattended vehicles are permitted at the Colwell Site and will be towed, at the owner's expense, per Stonington's Parking Ordinance.

Please remove your trash and help us keep the site clean. Please be respectful!

Hopefully in 2017 we will be able to obtain grants to help finish blocking-up the wharf walls and fixing & extending the concrete plank launch ramp. Contributions, funded through private donations & tax payer dollars, helps manage the property and fund future improvements! We would like to thank you for your continued support.

Respectfully submitted,

Gay Atkinson, Evelyn Duncan & Dean Eaton – Stonington &  
Danny McDonald, Bob Gerber & Linda Greenlaw Wessel – Isle au Haut

## **Stonington Economic Development Committee 2016 Report**

The Economic Development Committee had a productive year with the various subcommittees working on a number of projects intended to stimulate and encourage ongoing and additional commerce in town. Town economic development committees generally develop municipal initiatives that support future business, work to maintain their community's inherent character, promote the Downtown area, strengthen existing business relationships, and work to attract new businesses that are compatible with the community and residents.

The SEDC subcommittees also meet to work on and plan local events, like the July 4<sup>th</sup> celebrations, the annual holiday fair, and help with the Halloween Spook-tacular children's activities. The subcommittees have been working on researching costs and benefits from recycling efforts, downtown Historic Preservation efforts, and members served on the Selectmen-appointed Parking committee to evaluate the parking and best uses of our downtown space to address business and various stakeholder needs. We have established a cellular/broadband committee who will be aligning with other area non-profit entities which has been meeting with those industry members and working to craft an RFP for service analysis and costs to address these needs.

An SEDC committee has actively been following the progress for Hagen Dock and the new walkway for our Downtown. We also supported and offered suggestions and support at town meeting for the purchase of the Ralston lot for additional parking on Atlantic Ave., and the new waterfront park area created by removing that old house. What an asset to our town having a place to sit and enjoy Stonington harbor.

As part of our mission, the SEDC worked this summer on developing a list of questions to present to local businesses in order to identify the obstacles and challenges they face. This will enable us to improve our committee strategy going forward and help determine how best to support and promote business in Stonington and the Island. Some predominate themes from these interviews are educational & job skillset issues, demographic changes resulting in worker shortages, affordable housing needs, broadband availability, and cell phone service problems. We will be focusing efforts to address the issues identified in this process. We hope you will support our budget request for 2017 so we can continue to realize these important goals.

# DEER ISLE / STONINGTON CHAMBER OF COMMERCE

## 2016 REPORT

The Chamber of Commerce continues to advocate for the Deer Isle-Stonington business community in a manner pursuant to the Island's traditions. We encourage new and sustainable opportunities and fully support the premise of Buy Local/Hire Local that enables a flourishing Island economy.

Our membership has grown substantially from 111 members to our current roster of 161. Your Chamber is strong, dynamic and fully invested in the community.

The Welcome Center greeted over 1800 visitors during the summer months and into the fall. Twenty-one countries were represented. It is our hope to eventually keep the Center open year around as the towns foster growth during the shoulder season and winter months. It is here that our Volunteers play an essential role in informing our visitors as to all that is available on the Island. We are indebted to them.

The Chamber is actively involved in the Stonington Economic Development Committee, the Healthy Island Project, the Stonington Farmer's Market, to name a few, and we are striving to be more visible in promoting All businesses as well as our Community of Artists, the Lobstering/Fishing industry and Tourism.

The Chamber would like to thank the Town of Deer Isle and the Town of Stonington for their continued support of our endeavors and for their financial contributions to the Chamber and to the July 4<sup>th</sup> celebration.

Please visit our website at [www.deerisle.com](http://www.deerisle.com), our Facebook page or pick up the Island Guide for business and professional information. For any additional inquiries call Annie Taylor Gray at 348-6124.

**Stonington Public Library, PO Box 441, 64 Main Street, Stonington, Maine  
367-5926 • [stoningtonlibrary.org](http://stoningtonlibrary.org) • [stoningtonlibrary@stonington.lib.me.us](mailto:stoningtonlibrary@stonington.lib.me.us)**

To the people of the Town of Stonington,

The library's board of trustees appreciates the ongoing support the townspeople have voted in support of the library each year. This year, the library requests \$6,000 at town meeting. That amount supports buying new books, upkeep on our 120-year-old building, and a variety of programs for all ages (for instance, a year of storytime crafts and snacks amounts to \$300).

Our history: In 1897, Mr. J.L. Thurlow built a grocery store at 64 Main Street. According to information compiled by past librarian Mary Cousins, perishables, sides of beef and other meats hung in the back of the building, where the public computers are now. Over the years, this building was the site of many businesses, including a millinery shop and a ladies' dress shop. On June 9, 1959, the Stonington Library Association bought the building for \$3,500. With energetic fundraising, including cream teas and bake sales, the newly formed library board paid off the mortgage in three years. Nearly 60 years later, the community continues to appreciate the foresight and hard work of those early library board members.

Imagine them raising their eyebrows at what is available in today's library! That includes gaming for teens (13-19), as a way to make the library enticing to teens, to encourage them to visit the library, and to develop a love of books and reading and libraries. Visits by children and teens number nearly 1,000 over the course of the year, about 20 percent of our total visits of more than 5,000.

We continue to strive to raise both those numbers, by offering programs of interest, adding more than 600 books per year, and providing interlibrary loan for nearly any requested book. This year, a \$1,000 grant from the Rudman Foundation, matched by a generous community member, allowed us to update our nonfiction titles with 60 new books. We have 728 nonfiction books available, a lot for our little library, and nonfiction circulation is up 25 percent. Nonfiction also accounts for 50 percent of the books requested through interlibrary loan. Free ebooks and audiobooks are available from the Maine InfoNet Download Library. Anyone with a library card can access this collection free of charge.

The library hosts book groups, "Let's Talk About It" book reading and discussion group, author events, storytime and Camp Kooky activities yearly. Stop in—you're sure to find something to interest you, and any Island resident can have a library card.

The big fundraiser for 2017 will again be a cemetery tour in July, this year featuring our ancestors in Hillside Cemetery in Deer Isle, and St. Mary's and Evergreen Cemeteries in Stonington.

Also in 2017, we plan to launch a "Baby & Me" lap-sit reading program for mothers, infants and toddlers to stimulate learning and promote early literacy. We're progressing on the conversion to a more energy-efficient heating system and will begin work on upgrading our bathroom facility, making it available to the public in compliance with state guidelines.

Your donations and town meeting support keep us going, and we are grateful.

Julie Reed  
Kelley Tardiff

Dear Stonington friends,

Healthy Island Project is entering its 26th year as an organization committed to the well-being of our community. We are grateful for the continued support of Stonington residents. This year brings some leadership changes to HIP.

Anne Douglass, who has been HIP's Executive Director for more than three years, is stepping down. Under her inspired leadership, HIP has expanded its mission to encourage an Active Island, facilitate transportation options, and raise awareness of opiate issues. The Board of Directors appreciates all she has done to solidify our financial standing and enhance HIP's presence on the island.

Rene Colson Hudson has been hired as our new Executive Director. Rene has been coming to the island for years and, with her family, has recently made Deer Isle a year round home. The Board of Directors is excited by her depth of experience, fresh vision, and commitment to the mission of furthering a healthy environment on Deer Isle.

Even while some things will be changing, HIP will continue to support our popular projects:

- organizing **Community Breakfasts** and **Salt Air Seniors**
- collaborating with Haystack for **Island Workshop Day**
- encouraging lifestyle changes with **Move It to Lose It**
- supporting **Queen's Closet**
- providing free, fun experiences at **WinterFest**

As we strive for a healthier island, your financial support is needed and greatly appreciated. Our request for \$2500 from the town of Stonington will help us provide these highly valued and anticipated programs for residents. Check out our website or Facebook page for some good recreational resources and dates for all of our events!

Sincerely,

Board of Directors

# ISLAND COMMUNITY CENTER, INC.

Together we grow...

## Report to the taxpayers and residents of Stonington for the year 2016

As the Island Community Center concludes its fourteenth year, the Board of Trustees and staff are happy to report that we once again have experienced significant growth in activities and involvement. We have implemented new programs and expanded others. Not only are our own programs using the center, but other organizations have scheduled their meetings, events, and programs with us on a regular basis. Without a doubt, the center has become an integral part of the lives of island residents.

Our emphasis this year was to continue to offer a diverse set of programs and events for our community as well as expand collaboration efforts with area organizations to enrich both our programs and theirs. We worked with the Opera House, the Town of Stonington, many downtown businesses, and more to create community wide events such as the Halloween Spooktacular that was offered at no cost to for everyone. In December we were part of the Holiday Hoopla that once again brought our community together for fun and entertainment. New in 2016 was the collaboration with the Reach and the Opera House to create Play Pen Theatre group for children. This collaboration was able to offer an opportunity for children to be introduced to the art of theater production and put on a play for the community. The facility is suitable for many uses and we are doing our best to use every bit of the space we have. The gym is heavily used by groups for pickleball, basketball, and youth, while several programs make use of the Greenlaw Room and the Café each week. In 2016 our Spanish classes doubled, our Girl Scout troop added a Daisy troop, and we added YMCA pee wee basketball. We opened the doors for teens through Teen Open Gym. It our aspiration to embrace every use that falls within our mission to offer programs that will enhance the lives of our community. The Center is committed to offering exciting programs and events for the entire community, regardless of the participant's ability to pay for them. This year Camp Kooky saw 86 children over a 4 week session. Thanks to generous donors we were able to offer 63 campers some financial assistance. It is why we are here and without the generosity of the community we could not do what we do. We embrace every opportunity to make a difference.

The towns' contributions, our programs, generous contributors and grants, along with many hours of volunteer time and donations of service have provided the much needed funding that allows us to continue. Each year we organize several fundraising events to help with operating funds for power, insurance, heat, water and sewer costs. Despite revenue growth in a number of categories, coupled with decreased expenditures in some areas, the increased usage of our space has kept our operating costs at essentially the same as last year. But for each new program and activity we incur added expense which needs to be addressed. Although we fund nearly 80% of our operations and programs through usage fees, contributions, grants, and special events, the support we receive from the Towns of Deer Isle and Stonington is critical to keeping our doors open and responding to community needs for specific programs. **This year we are asking for \$10,800 from each town.** We recognize the need to use these monies appropriately, with much effort placed in wise choices, and pledge to do so. We are committed to meeting the needs of this community and to reaching out to wider segments of our island population. We are deeply grateful for your generosity in the past and for your serious consideration of this year's request. We encourage any questions regarding our finances, facility, programs and plans. (367-2735)

Respectfully submitted,  
The Island Community Center Board of Trustees

# ISLAND RECREATION BOARD

*Serving the communities of Deer Isle and Stonington, Maine*

## Island Recreation Board Report for 2016

Dear Citizens,

The Island Recreation Board is an official joint Municipal Board for the towns of Stonington and Deer Isle. The Board consists of volunteer members from both towns who work in cooperation and conjunction with the Board of Selectmen, Town Manager, and other organizations to organize and facilitate recreational activities and opportunities for all members of the Island Community.

2016 proved to be another busy year for the Island Recreation Board. A roller skating trip was enjoyed at Great Skates and the Sports Arena. A Bonfire event at the Stonington Ball Field was organized by the Rec Board as part of Winterfest.

The Island Recreation Board held our annual Pumpkin Carving in 2016 at the Island Community Center.

Several island youths applied for and were awarded scholarships through the Island Recreation Board Scholarship Program in 2016

Ski/ride trips to Hermon Mountain; annual Pumpkin Carving; and seasonal and holiday activities are among the recreational activities planned for 2017, as well as the youth basketball clinic, and bonfire activities at the Island Community Center. The continued financial support of the community is vital for the Island Recreation Board to continue to offer and add to the many activities that have been popular in past years.

The Island Recreation Board holds meetings the first Tuesday of each month from September to May at the Island Community Center. We are always interested in new ideas and seeking new members. Should you be interested in getting involved or if you have suggestions for new programs, please attend meetings, or contact one of the board members

Sincerely,

Dana Morey, Chairman, Deer Isle	Becca Emerson, Deer Isle
Jennifer Larrabee, Stonington	Pam Wendell, Deer Isle
Elissa Haskell, Treasurer, Stonington	Liz Steele, Deer Isle
Elaine Parke, Secretary, Stonington	Heidi Shepard, Stonington

# Opiate-Free Island Partnership, Inc.

## Warrant Request to the Town of Stonington

The Deer Isle-Stonington Community has a significant prescription opioid and heroin problem that affects the lives of those who abuse these drugs and the lives of their families, friends and employers. It affects almost everyone on this Island: children and adults; fishermen, teachers, and contractors; tax payers; locals and "people from away".

We are enormously fortunate that Island Family Medicine has for more than three years provided outpatient treatment and counseling for opioid dependence, and that our schools have made important strides in drug education. Local organizations including Island Health & Wellness Foundation, Healthy Island Project, other community groups, and the towns of Stonington and Deer Isle have recently begun to focus on this problem. What is needed now is to coordinate these efforts for maximum effect, and to develop additional funding.

A number of individuals, organizations, educators and town officials have been meeting informally over the past 12 months to better understand the problem and identify ways to address it. From that effort has come the *Opiate-Free Island Partnership (OFIP)*, a separate and distinct task force established to help coordinate and fund programs that respond to the abuse of prescription opioids and heroin on Deer Isle. OFIP is an incorporated entity, and is filing for 501(c)(3) non-profit status.

Four major areas have been identified as keys to addressing this problem: education, treatment and recovery, public awareness, and law enforcement. In each area, OFIP's recommendations will be made in consultation with local organizations and best practices. Funds will be sourced from private donors, the towns of Stonington and Deer Isle, and the reallocation of school budget funds.

The first year budget for OFIP includes \$50,000 for education and \$40,000 for treatment and recovery, for a total of \$90,000. The Town of Stonington is being asked to approve \$20,000 to support that budget. Additional first-year funding will come from the Town of Deer Isle, which is being asked to approve a like amount; Island Health & Wellness Foundation, which will contribute \$30,000; and CSD#13, which will reallocate \$20,000 within the school budget for additional drug education. In other words, a \$20,000 contribution from the Town of Stonington this year would be matched by an additional \$70,000 from the community. For a Stonington taxpayer with a 2016 tax bill of \$2,000, this would add \$11.18 in taxes.

Prescription opioid and heroin abuse is a huge and complex problem. Addressing it will require focus, commitment, and a well-coordinated plan over a period of years. OFIP's \$90,000 first-year budget will provide the opportunity to expand both education and treatment and recovery in the Deer Isle-Stonington community, and will generate momentum in subsequent years to raise funds for additional components of an overall program.

Respectfully submitted,

  
Roger Bergen  
OFIP Co-chair

  
Charlie Osborn  
OFIP Co-chair

Town of Stonington  
P.O. Box 9  
Stonington, ME 04681-0009

Subject: Funding Request

Dear Town Officials:

Child and Family Opportunities programs include Childcare, Head Start, Early Head Start, and public pre-k collaborations. We offer the highest quality early care and education in your county, but we don't do it alone. Comprehensive programs like ours require a partnership of funding that includes federal, state, and local support.

Our programs provide comprehensive services that go far beyond childcare or preschool. We provide individualized learning, ongoing development and nutritional assessments, health screenings, kindergarten transition activities, and strong parental support and involvement. We serve family-style meals that account for one-half to two-thirds of a child's daily nutrition.

We are mandated to raise 20% of our total Head Start and Early Head Start budget via community support. Funds we receive from towns help us meet this requirement, and assure that we can continue to provide high quality early care and education services. This year we are providing services to 7 children residing in Stonington. Will your town contribute \$3080 in support of its children and families? Our request for your town warrant is as follows:

*"To see if the sum of \$3080 will be raised from the residents of our town and appropriated to Child and Family Opportunities, Inc. for the purpose of operating high quality early care and education programs, including Head Start and Early Head Start, in our area."*

If you have questions, contact the CFO administrative office at 667-2995 x253. Your Center Coordinator is Jackie Buotte.

Thank you for considering our request, and for supporting the vision that all children and their families deserve to thrive!

Sincerely,

Douglas D. Orville  
Executive Director

November 18, 2016

Selectmen and Residents of Stonington  
Third Party Requests  
PO Box 9  
Stonington, ME 04681-0009

Dear Selectmen and Residents of Stonington:  
Please find this as Downeast Transportation's funding request for FY '18.

Our request is that the town of Stonington appropriate \$800 for the period July 1, 2017 through June 30, 2018. This is the same amount we have requested from the town for many years.

We continue to strive to provide the best public transportation possible, in the face of significant cost increases, without increasing our burden on the communities of Hancock County.

Please note: If Downeast Transportation finds itself with a surplus at the end of our fiscal year, we will carry that surplus over to defray operating costs in the next fiscal year. Please let us know if that is not satisfactory to you.

Please call if you have any questions.

Best regards,

  
Paul Murphy  
General Manager

Selectmen and Residents of Stonington  
Third Party Requests

PO Box 9  
Stonington, ME 04681

Greetings,

Did you know that in Maine:

- 14% of Maine citizens live in poverty,
- 12% of Maine citizens under the age of 65 have no health insurance,
- 23% of Maine seniors experience marginal, low, or very low food security, and
- Maine ranks 41<sup>st</sup> out of 50 for adults 65 and older who have a creditable prescription drug plan?

Did you also know that last year Eastern Area Agency on Aging (EAAA):

- Provided health insurance counseling to over 4,800 community residents,
- Saved community residents \$149,000 in health insurance premiums, deductibles and copays,
- Provided 244,000 pounds of food to low income seniors, and
- Provided 29,000 hours of volunteer services across our region?

Nevertheless, EAAA cannot accomplish the goal of keeping older adults thriving and healthy in their community on our own. It is through the continued support of towns and municipalities like yours we are able to offer much needed services and resources to community residents in Washington, Hancock, Piscataquis, and Penobscot counties. We greatly appreciated the feedback from last year's mailing; therefore, we again decided to include a report listing services EAAA provided to benefit your residents over the past 12 months as well as their associated costs.

As you prepare your town's budget, we ask that you consider Eastern Area Agency on Aging in next year's budget allocation.

➤ <b>Total cost of services in your town last year:</b>	<b>\$ 11,250.00</b>
➤ <b>Your town's allocation to EAAA last year:</b>	<b>\$ 2600.00</b>
➤ <b>Amount requested for 2017</b>	<b>\$ 2600.00</b>

In the meantime, if you have questions, please call Terri Gallant at 1-800-432-7812 or [tgallant@eaaa.org](mailto:tgallant@eaaa.org). We have also enclosed a one page sheet that provides a summary of the programs and services we provide. Please visit [www.eaaa.org](http://www.eaaa.org) to learn more about Eastern Area Agency on Aging's work.

Sincerely,

*Your Area Agency on Aging Serving Penobscot, Piscataquis, Hancock & Washington Counties Since 1973*

November, 2016

Town of Stonington  
PO Box 9  
Stonington, ME 04681-0009

Dear Selectmen and Residents,

Hancock County Homecare and Hospice (HCHC) is dedicated to the residents of Stonington and has been serving the area since 1931. Although we are members of a larger organization, our clinicians are from your community or one close by.

In fiscal year 2016 HCHC provided care to 17 of your residents making 204 home visits. Some are recovering from illness or surgery, while others selected our hospice program when they made the decision to stop curative treatment. We provide care regardless of ability to pay. The benefit to your community was \$47,994.00.

In addition to providing homecare and hospice services, HCHC provides Telehealth services to those living with chronic illness. We also partner with other Hancock County organizations to keep people safe at home for as long as possible. We participate with two "Thriving in Place" programs and work daily with Hospice Volunteers of Hancock County. Soon we will offer Wellness Clinics at the many senior centers throughout the county.

I am sure you are aware of the statistics regarding Maine and the challenges we all face to manage our growing elderly population. We also know that home-based care services will continue to expand as it far less expensive than hospitals, assisted living facilities and the like.

Your commitment to VNA not only helps your residents remain at home, but enables us to provide Telehealth services, wellness clinics, and influenza vaccines in addition to providing care to those without sufficient health insurance. VNA is also instrumental in bringing other programs to your community because "Aging in Place" is now the norm in our great state.

It is our hope that the selectmen and residents will continue to provide municipal funding to support your residents, with a grant in the amount of \$7,526.00. I am available to answer your questions or concerns, as are the dedicated members of our board of directors (list enclosed).

Thank you for our consideration and thank you for your past support.

Very truly yours,

A handwritten signature in black ink that reads 'Colleen Hilton'.

~ Volunteer Service Since 1980 ~

November 1, 2016

Third Party Request, Selectmen and Residents of Stonington  
Town of Stonington  
P.O. Box 9  
Stonington, ME 04681

*- Reviewers*

Dear Third Party Request, Selectmen and Residents of Stonington,

Greetings to you and the residents of Stonington!

As Hospice Volunteers of Hancock County recognizes 36 years of service to our neighbors, we remain committed to providing compassionate, professional care:

- ~ Patient Care & Caregiver Support
- ~ Community Education

~Bereavement Support

Our direct services to patients and families are offered **free of charge** and we don't receive reimbursement through insurance or government programs.

In addition to the core mission services mentioned above, we have spent time this year broadening our focus through strategic efforts and partnership with many community colleagues to deliver a full range of support:

- ~ The Evensong singers
- ~ Veterans and Caregivers Outreach Program
- ~ Alzheimer's and other forms of Dementia Support Program
- ~ Equipment Sharing program
- ~ Aging and Loss program

**During the past year, Hospice Volunteers of Hancock County provided the following services:**

- ~ Patient Care and Caregiver Support to 145 patients and families, including 1 resident of Stonington.
- ~ Nearly 1000 gestures of Bereavement support, including to 7 residents of Stonington.

It is only through the support and partnership of the communities we serve that we are able to reach those who need our care! **We appreciate the support we have received from the Town of Stonington in the past and hope that you will continue your support for these important services with a contribution of \$1000 during the coming year.**

Please let us know if there are ways that you believe we can better serve the residents of Stonington, Thank you.

Sincerely,

Jody Wolford-Tucker  
Executive Director

Provide Immediate Assistance to Families in Stonington

The American Red Cross responds to nearly 70,000 disasters each year, and the vast majority of those are home fires. While we work in communities nationwide to help prevent these tragic events, we also need to be prepared to respond locally when they occur.

The Red Cross is committed to meet the emergency needs of each and every family in Stonington. The Red Cross is there to help and last year, we served 23 people from across Hancock County but fortunately no people from Stonington. In FY2016, the Red Cross has responded the emergency needs of 807 people from 345 families in Maine!

The American Red Cross respectfully requests a municipal allocation in the amount of \$600 from the residents of Stonington for the coming year.

Within minutes of learning about a home fire, local Red Cross volunteers are on the scene providing care and comfort to those affected. One way we help is by ensuring that their immediate needs, such as food and shelter, are met. We do this by providing families with client assistance cards, which they use to purchase essential items that were lost in the fire. This special card often represents the first step in recovery following a home fire, but we need your continued support to offer these vital financial resources to your neighbors.

The Red Cross must be ready to respond to a family or the larger community in need whenever and wherever a disaster may strike and that constant state of readiness requires the generous municipal, corporate, foundation and individual financial support. The Red Cross is counting on the people of Stonington.

All Red Cross disaster relief is provided free of charge to individuals and families. The American Red Cross is not a government agency. Though our services are congressionally mandated, the American Red Cross relies on voluntary contributions from individuals, companies, municipalities and charitable organizations in order to deliver on our mission to alleviate human suffering.

The biggest disaster threat to Maine families isn't floods, hurricanes or tornadoes; it's a home fire. The American Red Cross responds to a disaster every eight minutes and nearly all of these are home fires.

The Red Cross must be there 24 hours a day to answer the call and with the support of neighbors like you, we will always be ready.

Warm regards,

A handwritten signature in black ink that reads "Caroline King".

Caroline King  
Executive Director  
American Red Cross

RE: **Annual Request for Local Match Funds**

Dear Board of Selectmen:

The Washington Hancock Community Agency wishes to extend a thank you to the **Stonington** Selectmen and Town residents for your support last year.

The Washington Hancock Community Agency is requesting your support to enable us to apply for and leverage funding to provide and expand services provided to your community. **The services WHCA provides have a direct impact on your expenditures by reducing reliance on your general assistance program.**

We are requesting **\$4,345** to help low income people in your community. During the last fiscal year, WHCA provided **\$78,768** in services to your community. **Stonington** residents requested and received the following services from WHCA:

<u>Services Provided</u>	<u>Number of Households/Individuals</u>	<u>Amount Expended/\$\$ Value</u>
The Heating and Warmth Fund (THAW)	2/3	\$473
Housing Services	3/4	\$14,211
LIHEAP (Fuel Assistance)	44/59	\$34,156
ECIP (Emergency Crisis Intervention)	3/3	\$653
Free Income Tax Preparation	/3	\$600
Transportation (number of rides, not individuals)	327	\$27,525
Christmas is for Kids	5	\$150
Aging in Place	/1	\$1,000
Total		\$78,768

In addition to the above, WHCA provided supportive services specifically to veterans and their families who were facing homelessness or were at risk of homelessness; free coats to anyone who needed one; and operates the Helping Hands Garage Program, which makes reliable used cars available at reasonable rates and terms.

Thank you for your consideration. I would be happy to meet with you or your budget committee to answer any questions or address any concerns. You can reach me at 610-5944.

Sincerely,  
  
Sarah Nugent  
Third Party Request Coordinator

November 29, 2016.

On behalf of the Board and staff of the Down East Family YMCA, I would like to thank the Town of **Stonington** for their continued support of the YMCA. The accomplishments of the YMCA could not be attained without the support of the town.

This letter is our request to continue the funding for the YMCA. During the past two decades the YMCA has asked towns to support the YMCA financially and in return receive benefits for all citizens. This year the YMCA would like the Town to continue the support at the same level of last year of **\$750**. The YMCA has continued to offer more to the citizens of **Stonington** while keeping costs reasonable. The following list is examples of the value that is offered by the YMCA.

- Citizens of Stonington receive a discount towards their membership. As of today there are 16 members utilizing this benefit. A savings of \$900
- Families, who cannot afford fees associated with the YMCA, can request financial assistance. Last year the YMCA provided \$180 in scholarship funding to citizens of Stonington.
- Towns, who are able to recruit enough children to form a sports team, may participate in the YMCA leagues free of charge. If a town does not have the ability to form a team, individual children can play in the Y league at a discounted rate. The Y scholarship program can also be utilized by families who cannot afford the nominal program fee. In 2015-16 the Town of Stonington had an average of 2 teams participating in the Y leagues - a savings of \$750.
- Lastly, all citizens have the ability to utilize the YMCA FREE of Charge on Saturday and Sunday from 1:00 pm – 5:00 pm. What a great way for families to have fun together throughout the year.

Selectmen, the above opportunities are provided because of the town's support of the YMCA and I hope you will consider funding the YMCA at the same level as last year - **\$750**. Please let me know the date and time of the town's budget and/or town meeting, and I would gladly attend to answer any questions you may have.

Sincerely,

Peter D. Farragher  
Chief Executive Officer

November 29, 2016

Selectmen and Residents of Stonington  
P.O. Box 9  
Stonington, ME 04681

Dear Selectmen and Residents of Stonington:

I am writing this letter to ask you for your support for the WIC Program.

We offer vouchers for nutritious foods for low-income women who are pregnant, breastfeeding or recently had a baby, and to infants and children to their 5<sup>th</sup> birthday. We also provide nutrition education, health screenings and support, focusing on the strengths and needs of individual families.

**Last year, 37 residents from the Town of Stonington participated in WIC, receiving \$26,640 in food vouchers. This year, the Women, Infants, and Children Nutrition Program respectfully requests financial assistance in the amount of \$1,480, representing \$40 per resident served last year from the Town of Stonington..** Federal funding will match up to \$2,000 of municipal contributions, enabling WIC to serve even more young families in need.

Because transportation often is a difficult issue for many families who need the benefits WIC can offer them, providing access to WIC at the local level is vital. As in the past, WIC will continue to accommodate rural families at its main offices in Ellsworth, Machias, and Calais, as well as in satellite locations in Stonington, Bucksport, Southwest Harbor, Harrington, and other small island communities. **Local community support is absolutely necessary for WIC to maintain its critical rural access points.**

If you have any questions or need additional information, please contact me.

With sincere appreciation,

A handwritten signature in cursive script that reads 'Trudy Lunt'.

Trudy Lunt  
WIC Program Director  
667-5304 Ext 222 Fax 667-6117

United States Senate  
WASHINGTON, DC 20510

Dear Friends of Stonington,

Since being sworn into the Senate in 2013, I have made it my mission to address at the federal level the most important issues facing our great state. Working closely with my colleagues in the Maine Congressional Delegation, we've been able to successfully secure a number of legislative victories that support our state's economy, our rich traditions, and the hardworking people I am proud to represent.

In an increasingly polarized Congress, my goal as an Independent is to put partisanship aside, build consensus and further common-sense solutions to address the needs of the American people. To this end, I have co-founded the Former Governors Caucus, a group of former state executives who are frustrated with legislative gridlock and eager to find bipartisan solutions. And as always, I aim to bridge the partisan divide by hosting barbeque dinners in Washington with colleagues ranging from Ted Cruz to Elizabeth Warren. If you know a person's children, then you see them as a mother or father and not a rival vote, and working to further personal dialogue and build relationships can lay the foundation for successful legislation.

One of the accomplishments of which I am most proud is the legislative victory that protects our college students and their families from an expensive hike in student loan interest rates. In 2013, as students faced a significant spike in interest rates that would have taken thousands of dollars out of their pockets, I brought together colleagues from across the political spectrum to broker compromise legislation called the Bipartisan Student Loan Certainty Act. Thanks to this bill, students will save \$50 billion over the next 10 years by lowering their interest rates, which means that a student in Maine will now save between \$3,000 and \$6,000 over the life of their loan.

Being an Independent in the Senate has allowed me to make calls and vote on policies that are best for Maine, but it has also made it possible to play key roles in finding simple solutions and legislative fixes that make good commonsense to both parties. Of course, much of what we do in the Senate doesn't happen on the Senate floor, or even in committee. Instead, it involves working across all levels of government to ensure the State of Maine receives attention and support from the federal government.

Take, for example, the opioid and heroin epidemic devastating communities across our state. While Congress has passed legislative solutions aimed at expanding access to medical treatment, I've also pressed for other changes that can be accomplished more quickly and make a more immediate difference in Maine. For example, I successfully urged the U.S. Department of Health and Human Services to increase the number of patients to whom a doctor can provide medication-assisted treatment, and in 2015 brought the Director of the Office of National Drug Control Policy to Brewer to meet directly with Mainers and hear their stories. I've also engaged law enforcement – including the Drug Enforcement Agency – to crack down on the production of opioids and work to limit their diversion. Together, Senator Collins and I helped pass the Northern Border Security Review Act to combat drug and human trafficking along our border with Canada.

While the opioid epidemic is certainly our biggest public health crisis, job loss in Maine is still our number one economic problem and that's why we need to focus on bringing good paying jobs back to Maine and protecting the ones we still have. As a member of the Armed Services Committee, I teamed up with Senator Collins and Representative Poliquin to successfully secure a provision in the defense bill that can help domestic shoe manufacturers like New Balance. The three of us also worked together with the Department of Commerce to establish an Economic Development Assessment Team, known as an EDAT, to assist Maine's forest industry in the wake of several mill closures. We have an incredible spirit of innovation and ingenuity in Maine and I believe finding ways to invest in that spirit will reignite Maine's forest products sector and our economy. Part of our economic path forward must also include expanding access to high-speed broadband, which can help connect our businesses and communities to information and economic opportunities.

United States Senate  
WASHINGTON, DC 20510

As a member of the Senate Armed Services and Intelligence Committees, I work to keep Maine and our nation safe. Part of that important work means continuing to work for funding for the construction of Navy ships that will be used to protect American interests across the globe. We all know that “Bath Built is Best Built,” which is why I’ve fought to authorize funding for Navy ships built at BIW. The best way to preserve peace is by deterring war through unassailable strength, and to do that we must support our shipbuilders and our brave service members and invest in our military. I strive to meet this solemn responsibly every day as a member of these committees, which is why I hardly ever miss a hearing and take great care in overseeing the agencies sworn to keep us safe. Armed Services Chairman John McCain called me “one of the most serious and hard-working members” of the Committee, and that’s a humbling compliment from a true American hero.

As always, please call or write me with thoughts or concerns with matters currently before Congress, or if you need assistance navigating a federal agency. As a public servant, it is critical to me to listen and learn from you, which is why staying connected with people from all over our beautiful state remains a top priority for my work in the Senate. Please call my toll-free line at 1-800-432-1599 or one my offices: Augusta: (207)622-8292, Bangor: (207)945-8000, Presque Isle (207)764-5124, Scarborough (207)883-1588, or Washington, D.C. (202)224-5344. You can also write me on our website at [www.king.senate.gov/contact](http://www.king.senate.gov/contact).

It is an honor and a privilege serving the people of Maine in the Senate, and I look forward to working with you in our search for a more perfect Union.

Sincerely,

Angus S. King, Jr.  
United States Senator

## United States Senate

WASHINGTON, DC 20510-1904

COMMITTEES:  
SPECIAL COMMITTEE  
ON AGING,  
CHAIRMAN  
APPROPRIATIONS  
HEALTH, EDUCATION,  
LABOR, AND PENSIONS  
SELECT COMMITTEE  
ON INTELLIGENCE

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments.

Growing our economy by encouraging job creation remains a top priority. The tax relief bill enacted during this last Congress contains provisions I authored to provide small businesses with the certainty that they need to invest, grow, and, most important, hire new workers. The 2017 National Defense Authorization Act includes a provision the Maine delegation worked together to champion requiring that military recruits be provided with athletic footwear made in America, as is required for other equipment and uniform items whenever possible. This is a great victory for our troops and for the 900 skilled workers at New Balance factories here in Maine.

Maine's contributions to our national security stretch from Kittery to Limestone. As a senior member of the Appropriations Committee, I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard and \$1 billion towards the construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen the Navy and our national security, and the additional destroyer will help meet the Navy's goal of a 355-ship fleet.

Maine's growing population of older individuals creates many challenges. That's why, as Chairman of the Senate Aging Committee, my top three priorities are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security.

The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance. Last May, a call to the hotline helped lead to the arrest of a national crime ring targeting seniors, and in June I worked to secure the humanitarian release of a Maine senior who had been imprisoned in Spain after being victimized by an international drug smuggling scam.

The Aging Committee also released an extensive report detailing the findings of our bipartisan investigation into the abrupt and dramatic price increases for prescription drugs whose patents expired long ago.

I advocated strongly for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. I also championed and authored portions of the 21<sup>st</sup> Century Cures Act that will further support biomedical innovation and make significant reforms to our mental health system.

The Senate also took steps in the past year to combat the nation's heroin and opioid epidemic by passing the Comprehensive Addiction and Recovery Act (CARA), which I was proud to cosponsor. CARA is a monumental step forward in our effort to address the devastating addiction crisis affecting countless families and communities across the country and right here in Maine.

A Maine value that always guides me is our unsurpassed work ethic. In December 2016, I cast my 6,236<sup>th</sup> consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Stonington and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Bangor state office at (207) 945-0417 or visit my website at [www.collins.senate.gov](http://www.collins.senate.gov). May 2017 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins  
United States Senator

**Congress of the United States**  
**House of Representatives**  
**Washington, DC 20515-1902**

Town of Stonington  
32 Main Street  
Stonington, ME 04681

Dear Friends,

One of the greatest honors of my life is serving as your representative in Congress. This past year, we won some major victories for Maine families, communities, Veterans and local job creators, but there is still more work to be done. Since day one in Congress, I've worked with everyone regardless of party—Republicans, Democrats and Independents—to get the job done for Maine.

My number one priority is creating and protecting jobs. One of my main focuses this last Congress has been on helping secure 900 shoe manufacturing jobs in Maine at New Balance. For years, Maine politicians have worked unsuccessfully to get legislation through in Congress to require the Department of Defense (DOD) to adhere to the Berry Amendment, a provision which requires the DOD to use American-made products for new recruits whenever possible. New Balance is one of the few companies that continues to hire American workers and produce footwear here in the U.S.

I am absolutely thrilled that, after a months-long and hard fought effort, we finally had this monumental language officially signed into law this past year. This is a huge accomplishment, and I'm not going to let up an inch until it is fully implemented to secure the 900 Maine jobs at Skowhegan, Norway and Norridgewock.

In Congress, I have also been a steadfast opponent of bad and unfair trade deals, namely the Trans-Pacific Partnership (TPP), which have the potential to hurt jobs and local businesses in Maine. That's why I voted, twice, against "fast track" trade authority, or trade promotion authority, despite pressure from powerful Washington special interest groups and leaders of my own party. I don't work for any one party—I work for you, the people of Maine.

I am also extremely proud of the services that our Congressional office has been able to provide to help hundreds of Mainers in the past two years. Whether it is a Veteran experiencing issues at the VA or a citizen needing assistance with a case at the IRS, my staff is available to help. I encourage anyone who is experiencing problems with a government agency, including our Veterans when dealing with the VA, to contact one of my Congressional offices in Maine—Bangor (942-0583), Lewiston (784-0768), Presque Isle (764-1968)—or visit my website at [Poliquin.House.Gov](http://Poliquin.House.Gov).

There is much more work to be done. Our Great State of Maine and our Nation face many critical challenges. Please know that I am working hard, every day, to serve you and that I will continue to work here at home and in Washington for our families, local businesses and communities. It is an honor to represent you and our fellow Mainers in Congress.

Best wishes,

Bruce Poliquin  
Member of Congress

STATE OF MAINE  
OFFICE OF THE GOVERNOR  
1 STATE HOUSE STATION  
AUGUSTA, MAINE  
04333-0001

PAUL R. LePAGE  
GOVERNOR

Dear Citizens of Stonington:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities continues to be the reduction and eventual elimination of the income tax. Raising the minimum wage is not the path out of poverty; I want Mainers to earn a career wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Unfortunately, voters approved a referendum question to raise the income tax to 10.15% on successful Maine households and small businesses. Enacting the second highest income tax rate in the country shows the nation we are eager to punish people for being successful. It will drive them out of our state and make it even more difficult to attract much-needed doctors, dentists, scientists, engineers and other professionals to Maine. They can live in neighboring New Hampshire, which takes no income tax from their paychecks. Even worse, there is no guarantee the extra revenue from this tax will go to fund education, as proponents promised.

As successful people leave Maine, state and municipal government will lose the significant amount they pay in property, sales and incomes taxes. This will put even more upward pressure on local property taxes. Municipalities will have to get more creative to provide local services without increasing property taxes. Reforming the tree growth program, collecting property taxes on land in conservation or preservation programs, charging a payment in lieu of taxes on state land that is taken off the property tax rolls and having non-profit organizations pay a two-percent tax on their net revenues are all ways for municipalities to increase revenues.

Such bold measures would take strong leadership and commitment from local officials and residents. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at [www.maine.gov/governor](http://www.maine.gov/governor).

Sincerely,

  
Paul R. LePage  
Governor

**Annual Report to the Town of Stonington**  
A Message from Senator Brian D. Langley

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the honor of serving you in the Maine Senate. I am humbled that you have put your trust in me for a fourth term and can assure you I will continue to work tirelessly on your behalf. Please let me provide you with a recap of the 127th Legislature, as well as my hopes for the upcoming 128th Legislature.

Last year we continued the work of reforming our state's welfare system and achieved the long sought-after goal of banning the purchase of alcohol, tobacco and lottery tickets with welfare benefits. While there is more work to be done, I believe these efforts will help to deter such abuse of the system and help ensure that benefits are going to those who truly need them.

The Legislature also worked in a bipartisan fashion to begin addressing the drug crisis affecting our state. We approved putting 10 new drug enforcement agents on the street, as well as provided funding for treatment programs and drug use prevention efforts. I believe such a comprehensive approach is essential to tackle this awful epidemic.

In the upcoming session, it is clear that we must continue to do all we can to attract more jobs to our state to keep our young people living and working here. To that end, I will work to advocate for proposals which will expand economic opportunity for all Mainers. It is my hope the Legislature can once again work together to find good solutions to the issues facing our state.

You have my humble and sincere thanks for allowing me to represent you in Augusta. Please feel free to contact me at 287-1505 or [senatorbrianlangley@gmail.com](mailto:senatorbrianlangley@gmail.com) if you have comments, questions, or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

Senator Brian D. Langley, District 7

Cell Phone: (207) 479-5459  
Walter.Kumiega@legislature.maine.gov

Dear Stonington Residents,

It is an honor to serve once again as your State Representative. I hope to retain your trust and build upon the work I've done representing island communities over the past six years.

This year the Legislature will be taking up roughly 2000 bills, but our chief focus will be on passing a balanced budget for the next two fiscal years, addressing rising property taxes, fighting the heroin crisis and implementing the four citizen initiatives passed by voters in November of 2016.

This year I will once again co-chair the Legislature's Marine Resources Committee. As someone who represents many of Maine's island communities, I want to make sure Maine manages its resources in a way that balances harvesting and sustainability and also puts more emphasis on maximizing the economic impact for coastal communities. Many people depend on marine life to make a living, and it's important not to let them down. The committee clerk maintains a list of interested parties that get email notification of the committee schedule. Please let me know if you would like to be added to that list.

I will also continue fighting to make sure all coastal and island communities have affordable access to ferry transportation, well-maintained roads and the same basic services as their neighbors further inland. Having been assigned a seat on the Transportation Committee puts me in a good position to advocate for those services.

Whether we are dealing with the above issues or any other topic, I will continue to work with all of my colleagues, regardless of party affiliation, to make sure we're doing the best work we can for the people of our district and all the people of Maine.

Please contact me if I can be of any help or if you want to discuss or testify on any legislation. My email is [wkumiega36@gmail.com](mailto:wkumiega36@gmail.com). My cellphone is [207-479-5459](tel:207-479-5459) for voice or text message. I also send out e-newsletters from time to time. Let me know if you would like to receive them.

Respectfully,

A handwritten signature in cursive script that reads "Walter A. Kumiega III".

Tax Bills are traditionally issued in July and interest begins September 1. A 1% Discount is available if you pay in full within 30 days.

If your mailing address changes, please notify the Town Office in writing as soon as possible.

By State law, all tax changes must be in place by April 1 of the current year.

The tax assessing agent holds office hours one day per month. Call the Town Office to make an appointment.

Ask us about the Tax Club if you are interested in convenient monthly payments. If your account is paid in full before December 31st, you can join the Tax Club for the next year. We will send you a payment book in January dividing your bill into twelve monthly installments.

**TOWN OF STONINGTON  
ANNUAL ELECTIONS  
TOWN MEETING WARRANT**

Hancock, ss

State of Maine

To: Benjamin Pitts, resident of the Town of Stonington, in said County.

Greetings:

In the name of the State of Maine you are directed to notify and warn the inhabitants of the Town of Stonington, qualified by law to vote in said Town affairs, to assemble at the Stonington Town Hall 2<sup>nd</sup> Floor Meeting Room in said Town on Monday the **6<sup>th</sup> day of March**, A.D., 2017 at eight o'clock in the morning until twelve o'clock noon (**8:00 AM to 12:00 PM**) to act upon the following articles to wit:

**ARTICLES**

1. To choose a moderator to preside at said Town Meeting.
2. To choose the following Town Officers:  
Two Selectmen for 2 three-year terms.

Given under our hands this \_\_\_\_\_ day of February, 2017 at Stonington, Maine

\_\_\_\_\_  
Christopher Betts

\_\_\_\_\_  
Donna Brewer

\_\_\_\_\_  
Evelyn K. Duncan

\_\_\_\_\_  
Richard Larrabee Sr

\_\_\_\_\_  
John Robbins

**A TRUE COPY ATTEST:**

Pursuant to the within Warrant, I have notified and warned the Inhabitants of the Town of Stonington as herein expressed, to meet, at the time and place and for the purpose therein named, by posting this day an attested copy of the within Warrant at the Harborview Store and the Stonington Town Office, the same being conspicuous places in the said Town.

Dated the \_\_\_\_\_ day of February 2017 at Stonington, Maine.

\_\_\_\_\_  
Benjamin Pitts, Resident

**TOWN OF STONINGTON  
ANNUAL  
TOWN MEETING WARRANT**

Hancock, ss

State of Maine

To: Benjamin Pitts, resident of the Town of Stonington, in said County.

Greetings:

In the name of the State of Maine you are directed to notify and warn the inhabitants of the Town of Stonington, qualified by law to vote in said Town affairs, to assemble at the Stonington Town Hall 2<sup>nd</sup> Floor Meeting Room on Main Street in said Town on Monday the **6th Day of March**, A.D., 2017 at three o'clock in the afternoon (**3:00 PM**) to act upon the following articles to wit:

**ARTICLES**

1. To choose a moderator to preside at said Town Meeting.
2. To see if the town, in accordance with Title 36 M.R.S.A., Section 506, will vote to authorize the Tax Collector and the Treasurer to accept prepayments of taxes not yet committed and to pay no interest thereon.
3. To see if the Town will vote to fix a date when taxes shall be due and payable, and to see if the Town will vote to fix the rate of interest to charge on taxes unpaid after such date.  
**The Selectmen recommend the due date be September 1, 2017 and the rate of interest be 7.0% per annum.**
4. To see if the Town will vote to allow a discount of 1% on taxes paid in full within thirty days from commitment of the tax list to the Tax Collector, with an appropriation of **\$28,000** added to the annual tax commitment.  
**(In 2016, the discounts given to taxpayers totaled \$26,794.33 the town's auditor has requested that an estimate for the discount be included in the commitment process.)**
5. To see if the Town will vote to authorize the Selectmen to issue a Tax Anticipation Note which will be repaid at the end of the tax year and to pay interest on the note as necessary from investment returns.
6. To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to sell and convey by quit-claim deed, at the Selectmen's discretion as to terms, but at a price not less than the total of unpaid taxes, interest, and costs, any real estate acquired by the Town for non-payment of taxes thereon, unless the Selectmen, at their discretion, decide that the acquired property is beneficial for the Town to keep. It is understood that the Selectmen will advertise such real estate except when the real estate is to be sold to the original owner.

7. To see if the Town will grant the authority to the Selectmen to appropriate from overlay to cover any tax abatements.
8. Shall the Town authorize the Selectmen and Treasurer, on behalf of the Town, to accept gifts, donations, real estate, personal property, and certain funds, including trust funds that may be given or left to the Town and to appropriate and expend such money for such public purposes as the Board deems to be in the interest of the Town.
9. To see if the Town will vote to authorize the Selectmen and Treasurer to accept conditional gifts of money to the Town and to appropriate and expend the funds for the purposes for which the gift was made and in accordance with any conditions imposed by the donor and to accept conditional gifts of personal property to the Town and to use the property in the manner specified by the donor.
10. To see if the Town will vote to authorize the Selectmen to apply for and accept State and Federal grants and grants from nonprofit organizations on behalf of the Town for municipal purposes, including when necessary, the authority to sign the grant contract and accept the conditions that accompany the grant funds, and to appropriate and expend grant funds for authorized purposes.
11. To see if the voters will allow the Selectmen to dispose of vehicles, equipment and other town property no longer needed by public works, fire, pier, harbor, town hall or other town owned equipment by public bid, auction, trade, sell and use the proceeds for new or used equipment or vehicles of benefit to the town as decided by the Selectmen.
12. To see if the Town will authorize the Selectmen to act as the Trustees for the Stonington Water Company and vote the stock held by the Town to keep the Stonington Water Company operating and transact other business at any meeting of the stockholders of the Stonington Water Company.
13. Shall an Ordinance entitled “Town of Stonington Moratorium Ordinance on Retail Marijuana Establishments and Retail Marijuana Stores and Retail Marijuana Social Clubs be enacted?”
14. To see what sum of money the Town will vote to raise or appropriate in order to match a similar amount from the Town of Deer Isle, privately raised money, and reallocations within the CSD#13 budget for the purpose of funding prescription opioid and heroin abuse education in the K-12 Deer Isle-Stonington schools, and prescription opioid and heroin treatment and recovery programs for residents of Deer Isle-Stonington.

**Recommended by Petitioners \$20,000**

15. Shall the Town vote to amend Criteria #3 of the Town of Stonington, Maine Building Ordinance to the following:  
“All construction must be at least ten feet (10’) from the nearest lot line; except that any existing structure which is located within ten feet (10’) of a lot line and which is removed, damaged, or destroyed by more than fifty percent (50%) of the market value before such damaged, destruction or removal, may be reconstructed or replaced

provided that a permit is obtained within one year of the date of said damaged, destruction or removal. In no case, shall a structure be reconstructed or replaced so as to be nearer the lot line. If the structure is in the Commercial Fisheries/Maritime District it is exempt from the ten-foot (10') lot line setback requirement. Driveways and parking spaces for single-family residential structures are exempt from the 10 foot lot line setback requirement.”

**The Planning Board Recommends**

16. To see what sum of money the Town will vote to raise and appropriate for the administration account.

**The Selectmen recommend \$97,550**

17. To see what sum of money the Town will vote to raise and appropriate for wages, salaries and the Town’s portion of Social Security and Medicare Payroll Taxes for Town Officers and employees.

**The Selectmen recommend \$181,600**

18. To see what sum of money the Town will vote to raise and appropriate for the operation and maintenance of the Town Hall.

**The Selectmen recommend \$20,500**

19. To see what sum of money the Town will vote to raise and appropriate for the Town Hall reserve.

**The Selectmen recommend \$4,000**

20. To see what sum of money the Town will vote to appropriate from surplus (Undesignated Fund Balance) for the purpose of shingling and roof repairs for the Town Hall.

**The Selectmen recommend \$30,000**

21. To see what sum of money the Town will vote to raise and appropriate for employees’ health insurance.

**The Selectmen recommend \$62,600**

22. To see what sum of money the Town will vote to raise and appropriate for the Unemployment Reserve.

**The Selectmen recommend \$3,500**

23. To see what sum of money the Town will vote to raise and appropriate for wages and expenses for animal control.

**The Selectmen recommend \$4,950**

24. To see what sum of money the Town will vote to raise and appropriate for code enforcement wages and expenses.

**The Selectmen recommend \$14,700**

25. To see what sum of money the Town will vote to raise and appropriate for the Planning Board.

**The Selectmen recommend \$1,900**

26. To see what sum of money the Town will vote to raise and appropriate \$68,000 for law enforcement.

**This is for 3 days a week for \$68,000**

27. To see if the town will authorize the expenditure of up to \$6,000 from the town's Rainy Day Fund for the purpose of enforcing the Town of Stonington's Parking Ordinance per recommendations of the Parking Committee report.

28. To see what sum of money the Town will vote to raise and appropriate for 911 sign expenses.

**The Selectmen recommend \$600**

29. To see what sum of money the Town will vote to raise and appropriate for Hancock County Regional Communication Center (911) charges.

**The Selectmen recommend \$4,235**

30. To see what sum of money the Town will vote to raise and appropriate for the Health Officer.

**The Selectmen recommend \$250**

31. To see what sum of money the Town will vote to raise and appropriate for the Appeals Board.

**The Selectmen recommend \$250**

32. To see what sum of money the Town will vote to raise and appropriate for the Stonington Conservation Commission.

**The Selectmen recommend \$100**
